

# Career & Life Seminar Series

**Fulfill  
God'  
Calling**

**in Your  
Future  
Career**

❖ **Have you ever wondered:**

- What do mechanical engineers do in an automotive company?
- Did I take the right classes for my future job?

❖ **Maybe you are thinking:**

- Should I continue advanced degree in Ph.D.?
- Do I want to work in industry or pursue research in university?

❖ **Or you need help with:**

- Is my resume strong enough to impress hiring managers?
- Can I have someone to look over my cover letter?

❖ **You probably have not thought about this:**

- Is a job with high pay good enough for my life?
- How do I balance a career laden with stress and a spiritual life?

## **Come to AACCC Seminar Series & Let us Help You**

- ❖ We have engineers/managers from auto industry to talk about their job function,
- ❖ We have professors to tell you the career path in the research field,
- ❖ We have a team to help you with your resume, cover letter and offer advice,
- ❖ Most importantly, who can better help you with your career + spiritual life?
